

REFRIGERATOR COMPACT K420L C DR G U

Product series: Compact
Item number: 161422030

The HOSHIZAKI COMPACT K420L C DR G U is a REFRIGERATOR on castors with a net usable volume of 265 Ltr.

The COMPACT series offers a rare combination: These cabinets are food-safe, space-saving, and come with excellent energy ratings for their class. With a footprint of only 59.5 x 66.7 cm, these small space storage cabinets are easy to fit in, especially when space is limited. These specifications make the series such a popular choice for those operators who do not require heavy-duty Gastronorm equipment.

Food Safety

Thanks to the Hoshizaki air distribution system, temperatures are correct and uniform throughout the entire cold room, ensuring perfectly food-safe temperatures at all times

Low-Running Energy Costs

The Energy Efficiency Class of the COMPACT K420L C DR G U is B. The COMPACT series offers a range of extremely energy-efficient refrigeration units for small spaces.

Comfortable Work Environment

Contributes to a healthier work environment with low noise levels 39.8 dB(A), when the compressor is running. Low heat emission due to short compressor running times.

Hygiene & Ergonomic Design

The COMPACT series features several design extras, implemented to simplify daily cleaning routines. One of the features for optimized operator safety is the full-height integrated handles.

The COMPACT K420L C DR G U comes with:

- Refrigerant: The REFRIGERATOR uses HC refrigerant R600a
- Air circulation system
- Right-hand hinged door
- Integrated full-height door handle
- Internal LED light
- Reversible door
- Door lock for extra security
- White shelves
- Automatic defrost with re-evaporation of defrost water
