

Ignite Bold 50 | 60 | 74

Experience Better Living

Designed to impress, the Ignite Bold is a stunningly realistic electric fire infusing atmosphere and warmth into any room. This model comes in three different sizes, 50", 60", and 74", and with the unique linking kit, you can connect multiple fires together to create an even longer fireplace, making the Ignite Bold the perfect solution for both domestic and commercial applications.

Combining design Inspiration with the very latest technologies, this stylish fire provides an eye-catching flame experience through the Optiflame effect, originally crafted by Dimplex. This modern, built-in fire comes with a mirror effect that increases the depth of the fire, plus with the high viewing glass, you will be captivated by the mesmerising flames dancing over the realistic logs providing a warming glow.

- **Bigger better tinted glass** - offering a panoramic view of the mesmerising flames from every angle.
- **Choice of installation options** – 1, 2 or 3-sided fireplace, the possibilities for customisation are endless.
- **Patented ComfortSaver technology** – energy efficient heater offering up to 11% saving on energy costs
- **Flame Connect App** – change the fire experience to your liking all by the touch of a button.
- **Fully customisable** – allowing you to select flame and media bed colour, brightness and flame speed to your preference.
- **Smart self-diagnostics** - Integrated smart technology which enhances the performance of your fire by providing maintenance and operation feedback

Optiflame technology

A vibrant and realistic flame effect that adds depth and comfort to any space.

2kW heat output

Offering up to 2kW of heat via a fan heater.

LED lighting

Flames and lamps use energy-efficient LED lighting that requires no maintenance and can be used on flame effect only.

Unique linking kit

Enables you to connect multiple units together to achieve your desired length.

Fuel bed

Comes with a stylish log set and tumbled glass.

Colour options

Choice of 7 flame effects & 5 media bed colours.

Reflective glass panel

Flames are even more intense due to the reflective glass back panel.

Heater

Powerful fan-assisted heater providing additional heating on demand.

Remote control

Controlling all functions of the fire.

Ambient light sensor

Adjusts the firebox light to suit the room day to night.
